

CHOGORI

Reliable Green Connections

CHOGORI

Reliable Green Connections

CHOGORI founded in 2007, our products are used in a wide variety of harsh-industrial and outdoor applications in the areas of Electric Scooters, Electric Bicycles, Electric Emerging Markets, Electrical Outdoors, which require connectors and cables to be robust, dust-proof and waterproof.

From 2013, CHOGORI set-up the "Lean Management Philosophy".

NEWSOK Power Contact

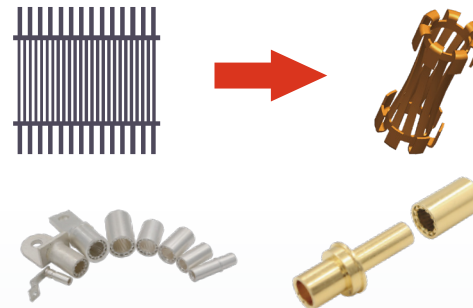

CHOGORI
Reliable Green Connections

Features

NEWSOK technology is based upon a stamped and formed flat grid, uniquely twisted into a hyperbolic geometry to provide robust, high density contact to the mating pin contact.

Chinese Patent Number: ZL2010 1 0220338.X
Germany Patent Number: 11 2010 005 496
The United States Patent Number: US8, 959, 763B2

Advantages

- High reliability
- High mating cycles
- Low contact resistance
- Low contact engagement
- Durability

NEWSOK Size	2.4mm	3.0mm	3.6mm	4.0mm	4.8mm	6.0mm	8.0mm	10mm	12mm	14mm
Current	35A	60A	70A	80A	100A	120A	200A	300A	400A	500A

Lean Production System

CHOGORI
Reliable Green Connections

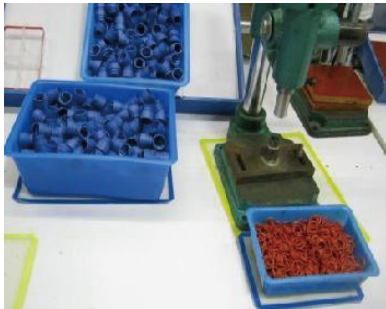

JI Training System

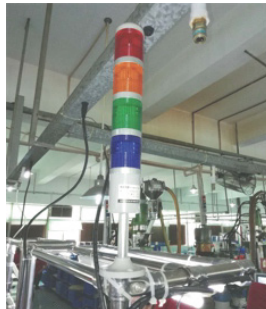

One Piece Flow U-shape Production Line

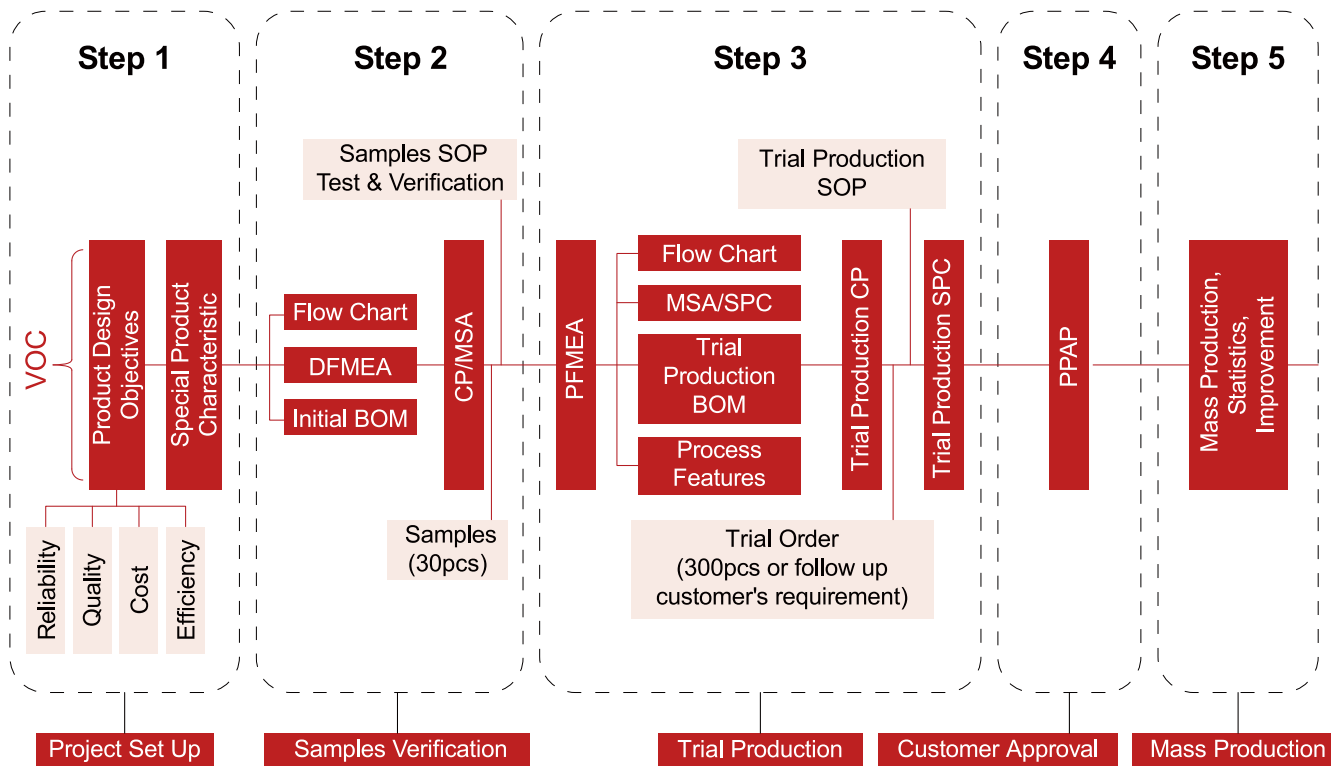

2-Bin System

Andon System

Use Toyota's lean management philosophy to effectively reduce waste from order to collection process and create value for customers

Banga100 Series

FC Series

Mate60 Series

Large Series

ES-CT6

Bourbon80 Series

Advantages

- Waterproof, reliable, vibration resistant
- Complete solutions from low to high power
- Market driven product development APQP process conformance

Connectors And Solutions For E-scooter Market

CHOGORI
Reliable Green Connections

Advantages

- Customized vehicle connectivity solutions
- Streamlined APQP product development process
- Swift service support

Advantages

- High reliability in vibration environment
- Customized connectivity solutions
- Market driven product development, APQP process conformance

Advantages

- Validation competence for long term reliability
- Complete solution from low to high voltage for commercial and Industrial energy storage and residential energy storage
- Wire harnesses processing capabilities from low to high voltage

Connectors And Solutions For ESS (Energy Storage System) Market

CHOGORI
Reliable Green Connections

Single Core Series

Large Series

FC04 Pro Series

Mini Series

FC09 Series

RJ45 Series

Connectors And Solutions For Architectural Light

CHOGORI
Reliable Green Connections

Standard Series
2P/3P/4P/2+4P

Middle Series
2P/3P/5P/3+5P

Mini Series 8P

01 Hybrid power and signal transmission

02 Fast, easy, and safe installation

03 Customizable color to blend in with surroundings

04 IP68/67 waterproof level, UV resistant

Large Series 2+13P

Middle Series
2P/3P/14P

Standard Series 8P

01 Hybrid power and signal transmission

02 Fast, easy, and safe installation

03 Customizable color to blend in with surroundings

04 IP68/67 waterproof level, UV resistant

M15 Series

Standard Series
2P/3P/4P/6P/8P

Mini Series 3P

Splitter

- 01 Chinese national street light standard, UL CQC TUV certification

- 02 Fast, easy, and safe installation

- 03 High reliability through prevention of mismatching

- 04 IP68/67 waterproof level, UV resistant

Connectors And Solutions For Grow Light

CHOGORI
Reliable Green Connections

Standard Series
2P/3P

Middle Series
2P/3P

Large Series
2P/3P

Splitter
& Adapter

01 UL certification(UV F1 Rated) 

02 Fast, easy, and safe installation

03 Broad system compatibility -the perfect product for every application in terms of number of poles, dimension

04 IP68/67 waterproof level

Connectors And Solutions For Solar Tracker Market

CHOGORI
Reliable Green Connections
